

Start

I didn't see any Games athletes...but I didn't go in.

Packed (did some shopping at Rogue!)

Blue sky and green grass. Beautiful FL!

Not very responsible to take pictures while driving...oops.

Saw an all-electric Nissan Leaf near Sebastian

Downtown Savannah

More downtown Savannah

Where are the Inov-8s?!

South Carolina

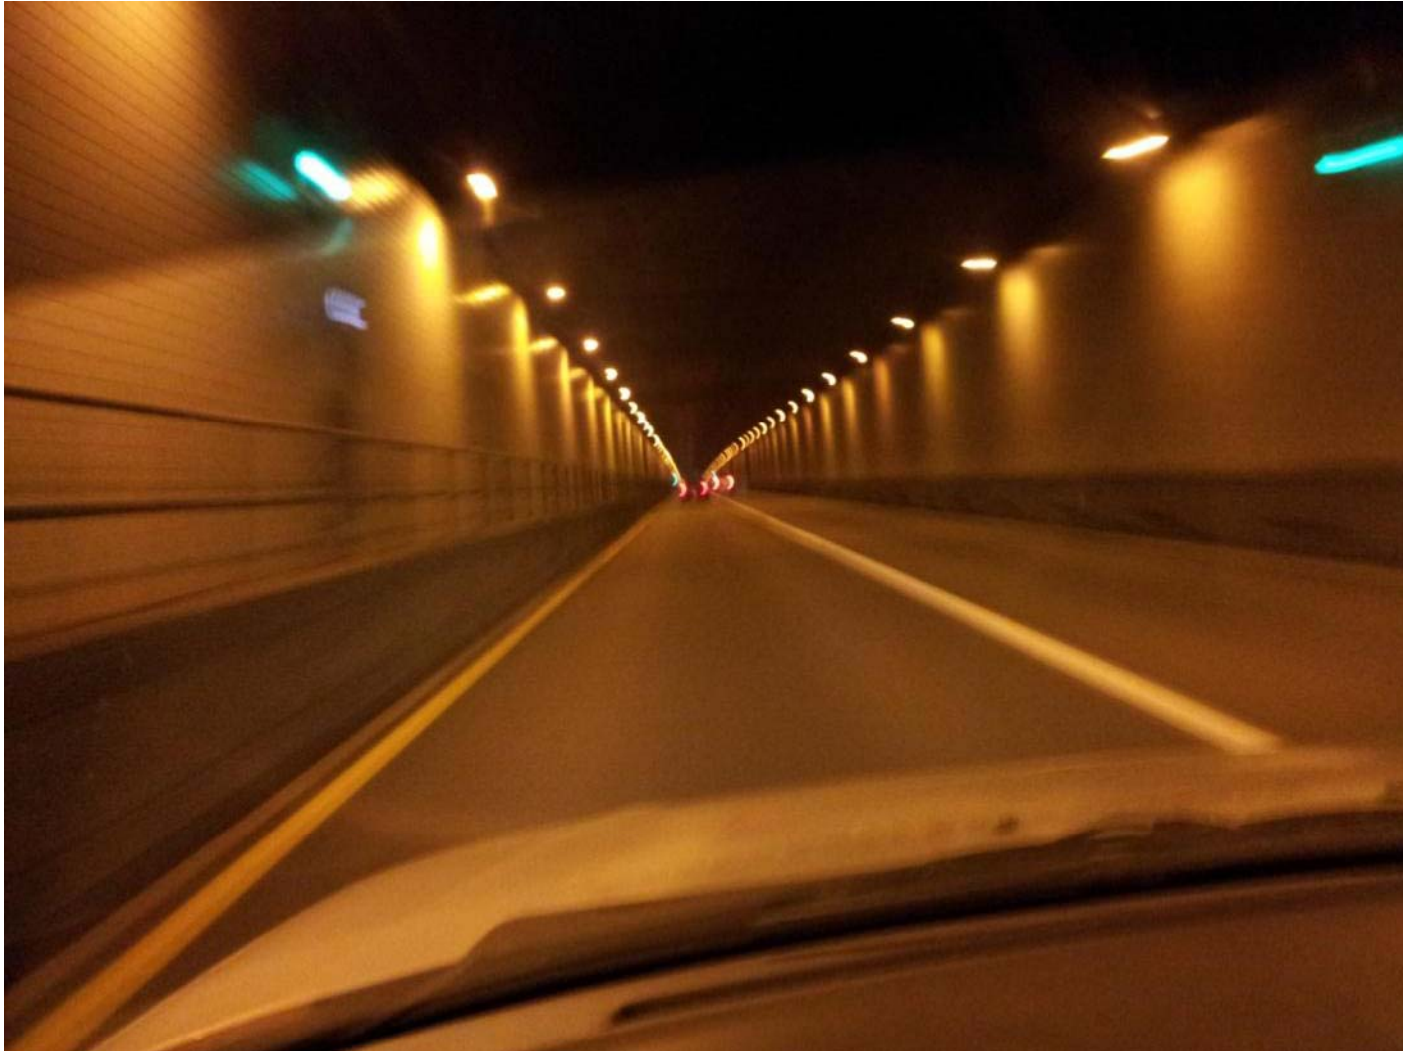

Home already?!

Virginia

West Virginia. First time driving thru a tunnel!

...while irresponsibly using my phone 😊

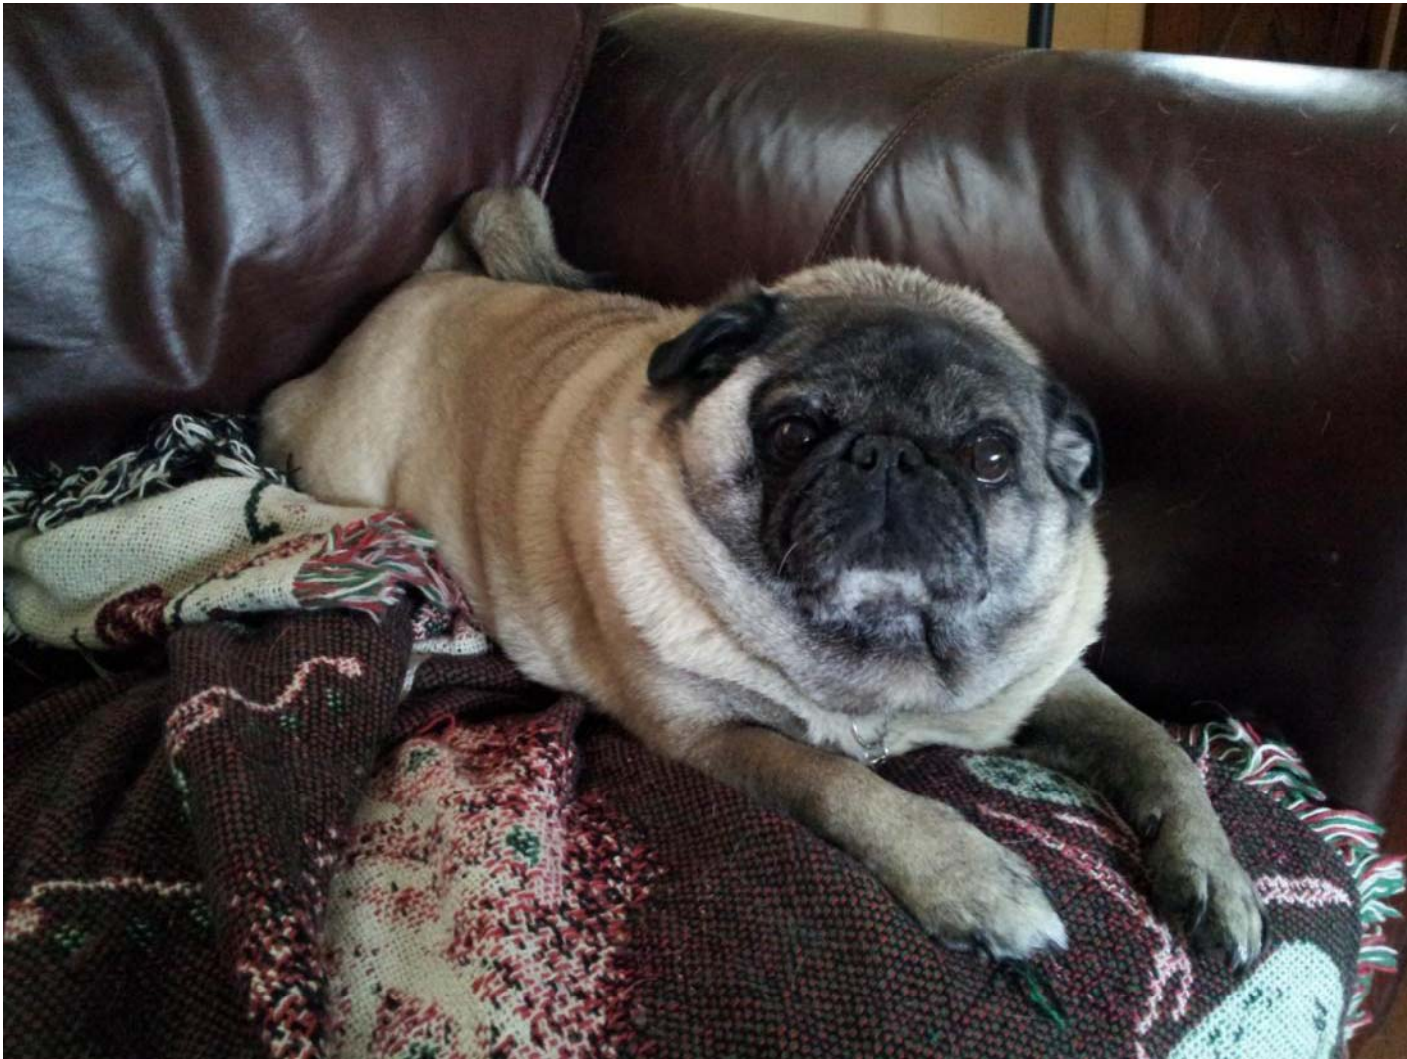

Awesome lookout (W Virginia)

Roads with curves and elevation changes!

Corey's dog in Pittsburgh. Not on the paleo diet.

Welcome to Canada
Bienvenue au Canada

Not exactly blue sky and the green grass.

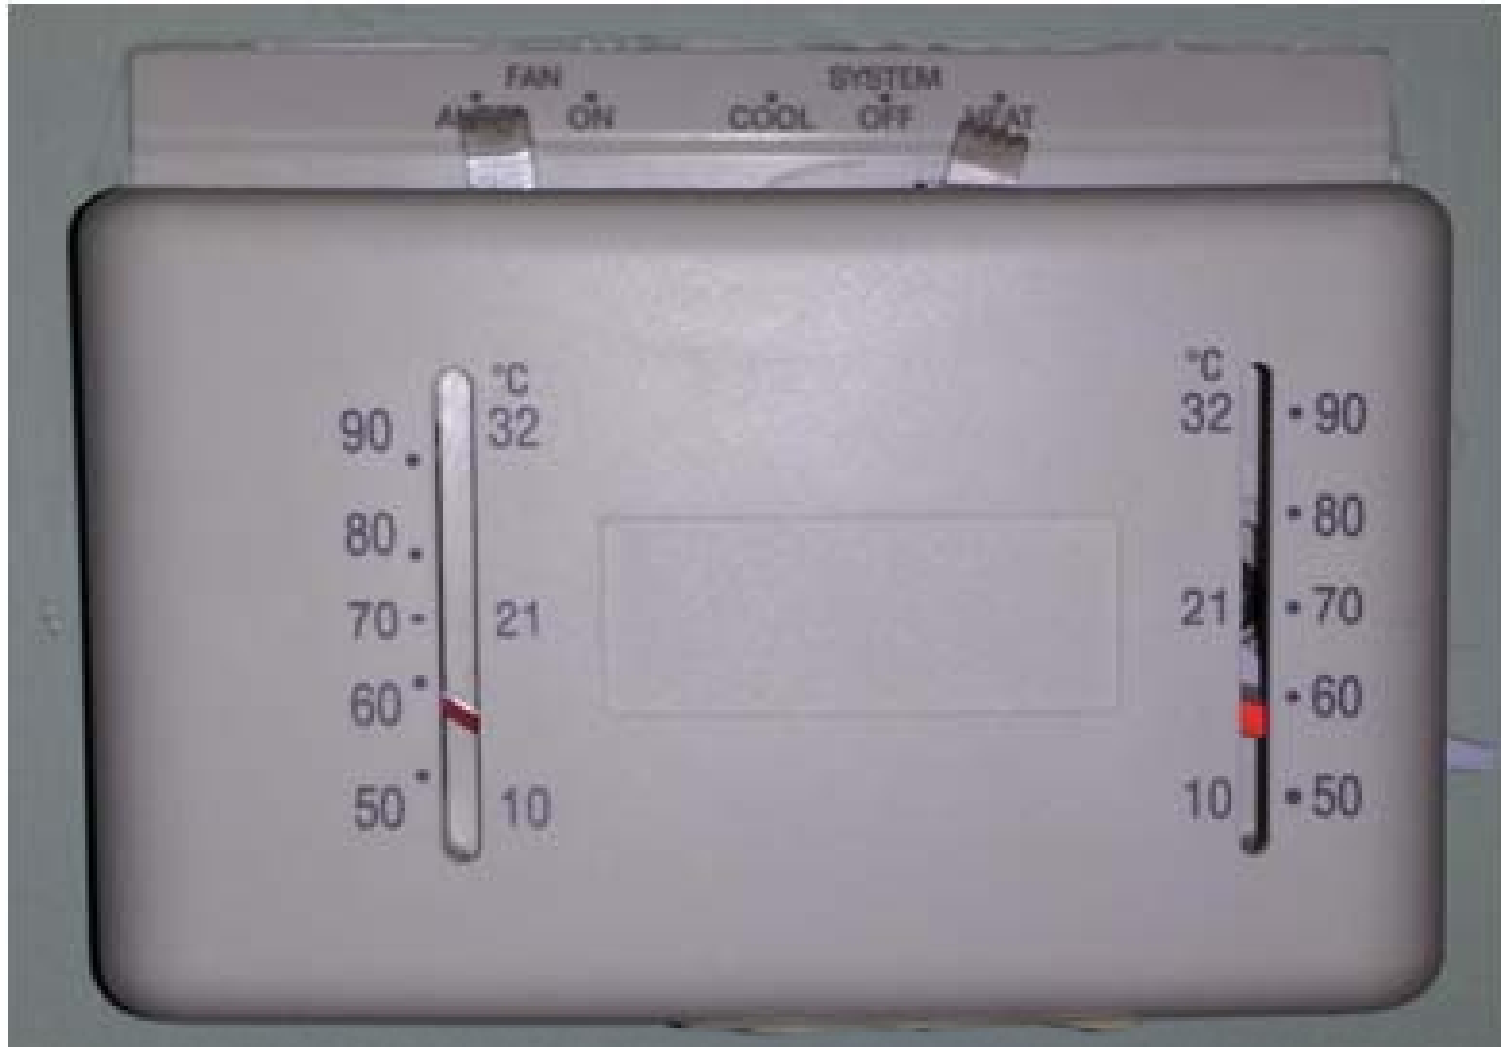

Gas ain't cheap up here...

\$50.00 to fill the tank
42.30 litres of gas
= \$1.18 per litre
or \$4.48 per gallon

My mother says she turned the thermostat *up* prior to my arrival.

It's a balmy 58 degrees F in here!

Done!
